

## The Adam Scott trophy

How many times in the history of golf have there been two holes in one on the same day of a tournament, very rarely. How many times in the history of golf has a sudden death playoff been decided by a hole in one, possibly never. Well it happened on the par 3 course here at North Adelaide on Sunday.

Nineteen pairs of golfers from NAGC and other SA golf clubs participated in the Adam Scott trophy, a pairs gross Ambrose tournament. During the tournament Soon Mi Jung, a lady golfer from Flagstaff Hill knocked the flag stiff for a hole in one at the third, a tricky downhill 78 metre hole.

The final result was a tie between our very own Duncan Stewart and Brian Roberts, Ted Wilson and Murray O'Neill and Kumar MP and Hyeon Min Cho, all scoring a creditable 49, 5 under par. So the tournament went to sudden death, playing from the first hole until there was a winning pair. Ted and Murray were closest to the pin on the first extra hole, but failed to capitalise both missing their putts by millimetres. The second extra hole and Kumar MP holes out for a spectacular 56 metre hole in one, resulting in much celebration amongst the gathered crowd, not to mention Kumar MP and Hyeon Min Cho who later lifted the trophy.

A great morning was had by all and we look forward to more golfers taking part next year.
