

Jamie Clutterham

Golf Professional

Certified PGA Professional

Advanced in Coaching

Jamie started his golf in Adelaide as an amateur, he played in representative teams for South Australia and Australian School Rep Teams. Jamie completed his traineeship on the Gold Coast at both the Surfers Paradise Golf Club and the Coolangatta Tweed Heads working there for a number of years. From there Jamie spent two and a half years as Club Professional at the Renmark Golf Club and then three years at the West Lakes Golf club as coach and assistant.

Jamie's coaching philosophy and delivery is one of appropriateness for your swing and physical capability, analysing what you would like achieve within any given lesson, then combined with the appropriate implementation of drills, exercises and practice loads all suited to your lifestyle and needs.

Keeping up with the latest in technology to ensure all students are getting the most out of their lessons, Jamie has available for use some of the latest in golf coaching technologies. Including in this is high speed video, TOMI Putting analysis and Flightscope Launch Monitor to provide the best possible outcome for all clients and their golfing abilities.

Jamie joins the North Adelaide Golf Club as the current Assistant State Coach and brings a wealth of knowledge and experience in retail, club fitting and coaching to the position of Golf Professional at the North Adelaide Golf Club.
