

North Adelaide Golf Club

South Australia Public Course Pennant Golf Association

Season 2020

Three teams were again entered into the SAPCPGA competition by North Adelaide in 2020, one in each of the three divisions, the Division 3 competition being handicap matchplay.

This year the metro pennant players finally got serious about the summer season with several of them throwing their hats into the Division 1 competition with significantly different results compared to the two previous seasons. Only one match was lost during the minor rounds, away to Regency Park, and this was a tight affair. Solid away wins against both Sandy Creek and Marion Park were achieved, and the team were unbeaten at home. Wins against Mawson Lakes, Marion Park and Playford Lakes came with only the loss of 5 games. The team cruised into the final and at one stage were looking like they might roll over Sandy Creek, but their opponents fought back late in the match and eventually squeezed their way to the trophy on holes won.

Overall, the team won 34 games, halving 3 and losing 19. The team were 139 holes up for the games they won, and only 77 down for those they lost.

With the Division 1 team significantly strengthened, several of the players from previous Division 1 campaigns were able to slip down to Division 2 and team bolstering was clear. A strong draw in round 1 away to Sandy Creek was followed by two home wins against Mawson Lakes and Playford Lakes split by a home draw against table toppers North Haven. With two away matches to go the team were eyeing off a finals berth, but losses to both Regency Park and Playford Lakes on the road saw the team finish in 3rd place in a very tight final table and miss the championship decider by a solitary point.

Overall, the team won 21 games, halving 6 and losing 21. The team were 84 holes up for the games they won, but 90 down for those they lost.

Expectations were high again for the Division 3 team after having made the final for the last three years, however an away loss to Sandy Creek in round 1 put them behind the eight ball. Two big wins at home over Mawson Lakes and North Haven got the season back on track and a good away win at Regency Park might have sealed a finals spot, however losses both at home and way to Marion Park either side of this match left them outside the top two places.

Overall, the team won 21 games, halving 5 and losing 22. The team were 67 holes up for the games they won. Games lost were a total of 62 holes down.

Unfortunately, individual results for the 2019 grand final match in Division 3 (against Marion Park) and the first round matches in 2018 for both Divisions 1 and 3 were not recorded, so have not been applied to the statistics.

If anyone has details of these matches, please contact club captain Alan Potts.
