

The Adam Scott Trophy 2019

You will be aware that Adam Scott played his first ever round of golf here at North Adelaide. We as a club are proud, with permission from the Scott family, to have a trophy in Adam's name.

As part of NAGC Golf Week, the event will be a pairs mixed Ambrose with the pairings drawn 'out of the hat' from two pools of golfers, one lower handicappers and one higher handicappers. This prestigious event takes place on Saturday March 30th using the club's usual tee times. The top twenty pairs qualify for the final on Sunday March 31st, starting at 10:00AM.

The draw for the pairings will take place on Saturday March 23rd and please note that the draw will ensure that no lady golfers will be paired together. Wherever possible, the early and late starters on a Saturday will be catered for and your tee time will be around your normal start time.

As this is an Ambrose event, the club officials will be making the tee time bookings and the booking sheet on the Pro Shop MiClub system will not be able to be used.

There is a nomination sheet in the club room to be completed. Please ensure you state whether you are able to play on Sunday March 31st. There are prizes to be had for both the Saturday event and the overall best nett scores over the two days. There will be a barbecue after golf on Sunday March 31st.
