

## North Adelaide Golf Club

### South Australia Public Course Pennant Golf Association

#### Season 2021

North Adelaide again entered three teams into the SAPCPGA competition in 2021, one in each of the three divisions, the Division 3 competition being handicap matchplay.

Having got serious about the summer pennant last year, the Division 1 team were looking to go one better than runners' up and stormed through the minor rounds winning the first 5 matches. A dead rubber in the final round at home to Sandy Creek was the only blot on the copybook with the team being held to a draw. Matches were won handsomely away at Marion Park and North Haven, with Playford Lakes (away) and Mawson Lakes (home) getting a little closer. Regency Park was the tightest of all the wins with the match going down to the last hole of the last game. Sandy Creek clearly brought their 'A' game to the final and were buoyed by their draw the previous week at North Adelaide, and so the season was consigned to another 'could have been'.

Overall, the team won 34 games, halving 4 and losing 18. The team were 130 holes up for the games they won, and only 59 down for those they lost.

The Division 2 campaign started on a quieter note with two draws against Playford Lakes and Marion Park. Both of these were away matches though so the coaching staff were not unhappy at this stage of the season. Close wins over Mawson Lakes at home and then North Haven away saw the team getting the bit between the teeth and the minor rounds were completed with very strong wins over Regency Park and Sandy Creek, both at home. An unbeaten season resulted in the team achieving their first finals appearance taking on Sandy Creek, and they were not going to let this opportunity slip past winning five games to three to take the trophy.

Overall, the team won 35 games, halving 3 and losing 18. The team were 145 holes up for the games they won, and only 70 down for those they lost.

The Division three team were keen to compete, as always, but a draw at Playford Lakes followed by a big loss at Marion Park gave them a real uphill grind to make the final. Mawson Lakes were easily dispatched at home, but a close fought draw at North Haven left the team needing to win both its final two matches to just get a sniff of the finals. Firstly Regency Park were overcome at North Adelaide leaving the team dependant on results in the final round. In a very tight match at home to Sandy Creek, the team number 2 sank his putt on the last hole to win the game and with results elsewhere going their way the team was in the final. Unfortunately, the final minor round match proved to be the teams swansong and they were convincingly beaten in the final by the same opponents.

Overall, the team won 25 games, halving 4 and losing 27. The team were 94 holes up for the games they won. Games lost were a total of 96 holes down.

Unfortunately, individual results for the 2019 grand final match in Division 3 (against Marion Park) and the first round matches in 2018 for both Divisions 1 and 3 were not recorded, so have not been applied to the statistics.

If anyone has details of these matches, please contact club captain Alan Potts.
