

North Adelaide Golf Club

South Australia Public Course Pennant Golf Association

Season 2022

With all three NAGC teams making the 2021 finals, expectations were again high for the 2022 season, and indeed there was keen anticipation that the club could do better than the haul of just one divisional trophy from the previous year.

For this season North Adelaide entered four teams into the SAPCPGA competition, one in each of Divisions 1 and 2, and two teams into the Division 3 competition which again was handicap matchplay. Fortunately there was no shortage of players willing to test themselves against other clubs in this format.

The Division 1 team produced another strong season and had pretty much wrapped up a place in the final with two rounds to go following wins against Penfield, Mawson Lakes and Regency Park, with a loss in the middle to the very strong Sandy Creek. A win over Playford Lakes sealed the finals appearance so there was nothing on the final match (also against Sandy Creek) for either side. A narrow loss gave some hope for the decider, but it was not to be North Adelaide's day at the neutral Penfield course and Sandy Creek stormed to an emphatic victory. Another 'could have been' season for our top team.

Overall, the team won 22 games, halving 11 and losing 23. The team were 82 holes up for the games they won, and 80 down for those they lost.

Division 2 was split into two conferences, North and South, with NAGC assigned to the Northern group. With only the top team qualifying for the finals it was important to make a good start; a tough first round away match against a strong Sandy Creek side realised the worst and an uphill battle for a finals place commenced. Solid wins against Mawson Lakes and Playford Lakes in rounds 2 and 3 meant that a good win at home to Sandy Creek would see the team back in the mix. Unfortunately, the visitors ground out a draw and the season was all but over. A final loss at Mawson Lakes resulted in a third-place finish for the season.

Overall, the team won 24 games, halving 6 and losing 18. The team were 96 holes up for the games they won, and only 69 down for those they lost.

Division 3 was also split into two conferences with an NAGC team in each. Again, only the conference winners would make the final so a good start was essential.

The NAGC A team lost narrowly at Sandy Creek in round 1 but turned it around with a big win against Mawson Lakes in Round 2. An unexpected loss to Playford Lakes was followed by a very good win at home to Sandy Creek and going into Round 5 NAGC were within striking distance of the leaders. A good win in round 5 meant that another win in the final round against bottom placed Mawson Lakes would secure a finals position; unfortunately, the team could only muster a draw and second place finish was not good enough.

The NAGC B side started well with a good win over Regency Park, but this was followed by three losses on the trot to slip down the ladder. In a tight conference, the teams' round 5 win over Marion Park left everything wide open for the final round, however a close loss to eventual conference winners North Haven left the team in fourth place.

Overall, the A team won 28 games, halving 4 and losing 16. The team were 89 holes up for the games they won. Games lost were a total of 55 holes down.

The B team won 19 games, halving 4 and losing 25. The team were 52 holes up for the games they won. Games lost were a total of 102 holes down

Unfortunately, individual results for the 2019 grand final match in Division 3 (against Marion Park) and the first round matches in 2018 for both Divisions 1 and 3 were not recorded, so have not been applied to the statistics.

If anyone has details of these matches, please contact club captain Alan Potts.

Season Team Statistics 2022

Season Team Statistics – Division 1

Home Matches:
