

The Hole in One jackpot starts on Saturday October 1st. Nominate on the sheet available in the clubroom from Saturday August 20th and pay your one off \$5 entry fee on the website under 'my account' and you're in it to win it, the jackpot.

Nominations close on Thursday Sept 29th and whatever the prize pool is depending on the number of entrants, the club will add \$200. Every week that the Hole in One is not won, the prize pool increases by \$10.

Once the jackpot is won, the whole process starts all over again with new nominations and new \$5 entry fees with the jackpot again boosted by the club to the tune of \$200.

The only stipulation is that the hole in one must be whilst playing in a three or four ball competition on a regular Saturday NAGC competition.

If you win, it will buy a few of these:
