

Golf Australia Senior Pennant Season – match report for Sept 20th 2021

We started our quest for Senior Pennant glory with a match against Westward Ho at Flagstaff Hill last Monday (Sept 20th). In conditions that were truly horrendous come tee off time, where the Koala's had put on their fur coats and brass monkey's were looking out for their balls. The clouds cleared and we set off from the first tee with great spirit, and produced a fine 6-1 victory.

The team, led by Bob Henley in place of the incarcerated Peter Norman who is currently a prisoner of the SA government in NSW, performed admirably. Bob, playing at number 1, won 4 and 3, Jonathan Gravenor won 2 and 1, Kerry Rowe won 2 and 1, Peter Adams 3 and 2, Tony Guiducci and Carolyn Coleman both had their money's worth and took their matches to the 18th green and both won 2 up. John Rowe, who made up the team, lost in the gathering doom on the 18th green, 1 down in a very close match.

Thanks to Murray O'Neill who was there as a reserve and Marlene Boundy and Chris Watson who came along to support.

The next round this coming Monday (Sept 27th) is at Penfield, where we take on Mt Osmond with a midday shotgun start. Why not come along and support your fellow members.

And finally a little bit of trivia and geography for you, the name Westward Ho comes from the town Westward Ho! in the UK. The only place in the world to have an exclamation mark after it!
