Something new

For 2018 there will be a new competition, the Tuesday Golfer of the Year. Each week everyone’s Stableford scores are recorded and at the end of the year the golfer with the highest average score over the year will be declared the Golfer of the Year. To qualify, each golfer must have completed at least 20 rounds of golf. An awards lunch has been pencilled in for Jan 22nd 2019.

The numbers of golfers on Tuesday's has been on the increase recently and on Jan 2nd to allow increased numbers, the pro shop allowed us to use the 10th tee. We believe this worked quite well but are aware of a few problems with the back nine groups approaching the first tee. We as a club are earnestly trying to improve our relationship with the Pro shop to our mutual benefits. Therefore, please be tolerant and polite to the Pro shop staff and other course members. By doing this, it will be of great benefit to us all. Thank you.

In light of the increased numbers, an extra weekly tee time from the Pro shop has been requested, increasing the total tee times available to NAGC to 18 (72 golfers). Thank you very much for your support.
